

A hand-drawn sketch of a mobile application interface for user registration. The app is displayed on a smartphone frame with a home button at the bottom and a status bar at the top showing signal strength, 'NH', time '3:58 AM', and battery level. The registration form includes a toggle between 'Login' and 'Register' (with 'Register' selected). It features seven input fields: 'Enter Email', 'Enter Name', 'Enter Password', 'Enter Password Again', 'Select Birth Date', 'Select Weight', and 'Select Height'. Below these is a gender selection toggle with 'Female' and 'Male' (with 'Male' selected). A checkbox labeled 'Accept terms and conditions' is accompanied by a toggle switch. The form concludes with a 'Sign Up' button.
